A: Dr. Cooksy knows his stuff. He is a great instructor.

A: awesome!

A: One of the best professors at SDSU! He has a immense understanding of the material and conveys it in an easy to understand way. During lecture I could understand complicated concepts just by listening to him (however I didn't always remember it on the test). He went out of his way to help every student and would give detailed answers to any question. This is saying a lot considering how difficult this course is. Overall just a fantastic professor and person. He also kinda reminds me of Santa Claus when he wears red which is cool.

A: Awesome professor! Really took the time to teach the class and have students learn the material! I hope you teach 420B in the Fall.
