A: smart, nice, and rigorous professor

A: Professor Cooksy is one of most intelligent people I've had the pleasure of being around. That being said his class is intimidating in how much material is covered. He is a great professor who truly wants his students to share the same enthusiasm he has for the subject. extremely difficult class due to amount of material and also complex concepts that take dedication and commitment to understand.

A: it was a pleasure to have hi as a professor. I learn a lot from him and also what I like the most is that he always had a positive attitude and always willing to help
